**INTERNATIONAL CONFERENCE
OF
THE MATHEMATICAL SOCIETY-
BANARAS HINDU UNIVERSITY
ON
RECENT TRENDS IN MATHEMATICAL
AND COMPUTATIONAL
SCIENCES(RTMCS)**

February 3-5, 2023

Organized by

DST-Centre for Interdisciplinary Mathematical
Sciences, Institute of Science,
Banaras Hindu University, Varanasi-221 005,
U.P., India.

Banaras Hindu University

GOAL OF ICMS-BHU-2023:

The aim of the three days' International Conference of the Mathematical Society-BHU is to provide a platform for young researchers by discussing new thoughts and ideas in Mathematical and Computational Sciences and their applications in different areas. The main purpose of the conference is to bring together academicians, researchers, young scientists, and provide them new flavor of research through invited lectures and paper presentations on a wide range of topics from Mathematics, Computing and allied areas.

Varanasi is a city on the bank of Ganga in Uttar Pradesh. During the first week in the month of February the temperature of Varanasi varies from 12 to 25 degree centigrade. The city is well connected through rail, roads as well as air lines to several well-known cities of India as well as few cities of abroad. Banaras Hindu University,

Varanasi is one of the largest residential university of Asia consisting of 5 Institutes and 140 Departments.

The Banaras Hindu University has the privilege of having eminent mathematicians / alumni like Prof. V V Narlikar, Prof. J V Narlikar, Prof. V K Patodi, Prof. Ganesh Prasad, Prof. D N Verma, etc. The main thrust areas of mathematical Sciences in which researchers of Banaras Hindu University are involved are Mathematical Modeling, Fluid Mechanics, Functional Analysis, Optimization, Bayesian, Statistics, Geometry and Topology, to name of a few.

CALL FOR PAPERS:

Participants willing to attend and present their papers in hybrid mode (offline/online) during the conference are requested to submit the ABSTRACT latest by January 05, 2023 to the given email.

After peer review, the selected papers will be published in SCOPUS index journal "Mathematical Modeling and Computing" as per journal norms, on the basis of payment of printing charge. Interested candidates can submit their full-length papers in LATEX file version (<https://science.lpnu.ua/mmc>).

SPECIALGUEST EDITORS:

Dr. A. Manickam, VIT Bhopal
Dr. Mamta Agrawal, VIT Bhopal
Prof. Bankteshwar Tiwari, BHU Varanasi
