

About the Conference

It is matter of great privilege for us to invite you to attend a NATIONAL ANNUAL CONFERENCE OF THE MATHEMATICAL SOCIETY-BHU ON

“APPLIED AND COMPUTATIONAL MATHEMATICS (ACM)”

Organized by Department of Mathematics, SMS Govt. Model Science College, Gwalior on dates 8th & 9th November 2025. Mathematical Sciences played the most prominent role in the development of Engineering and Technology. Most of the areas of Mathematical Sciences are recognized as the most extensively used mathematical tools in various disciplines of Sciences, Engineering and Technology.

Recent advances of Mathematical Sciences are tremendously enhancing applications in the field of electronics, signal processing, Bio-mathematics, Bio-informatics, artificial intelligence, Stock market, Data science, Finance and Many other real world problems. Infact Mathematical Sciences has the credit of revolutionary technical progress of the world. Present seminar will provide a platform to young researchers / mathematicians / scientists to share their views and latest research in the arena of mathematical sciences which may be applicable to solve real world problems.

Areas to be covered:

- Mathematical Biology
- Special Functions / Fractional Calculus
- Operation Research
- Fractional Integral Transforms
- Computer Science and its Application
- Statistics
- Artificial Intelligence
- Data Science
- Graph theory
- Fluid Mechanics
- Topology

About the College:

Shrimant Madhavrao Scindia Government Model Science College is a NAAC "A" graded premier institute of basic sciences. It has the strength of more than 3500 students with 36 programs of pure and applied areas of basic sciences. The college started its independent journey exclusively in science learning since 1961. The College has a long glorious history and has grown into multifaceted institute of science teaching and research. It is the oldest research Centre of Science wing of Jiwaji University.

About the Gwalior:

Gwalior is a historical city situated in the northern region of Madhya Pradesh at the distance about 320 Km. from New Delhi and about 440 Km. from Bhopal. It is well connected through Indian Railways and also avails the Air Travel facility.

It has glorious history of famous king Man Singh Tomar and Sangeet Samrat Tansen.
